Q-PLACEMENTS NETWORK

Choose a country on the map above

**A network of 13
partners in 10
countries**

To work as a network means establishing quality criteria and mutual understanding for member coordinating organizations (Each member is the “eyes” of other partners in the host country).

- **Using Q-Placements quality assurance system.**

www.q-placements.eu

- **Signing a Q-Placements traineeship agreement for each traineeship setting rights and duties for everyone involved. Workplan/learning agreement/learning outcomes in Annex.**

- **For coordinating organizations in sending country: agreed trainees/apprentices preparation according to Q-Placements quality assurance system.**

- **For coordinating organizations in host country: agreed support to trainee/apprentice and host company during mobility period.**

Each coordinating organization in host country assure quality of own host companies:

•To visit, assess and recruit host companies on a regular basis and add them to the host company database. The certified companies are then offering traineeship positions.

•To visit, assess and recruit host companies when interested in a specific trainee. Then certify the host company.
